Programming (Basic) — Python, Java, C++

EXPERIENCE

Web Developer Intern   Jan 2025 - Mar 2025
Onleed Media

- Developed and designed a fully functional website to strengthen the organization's digital presence.
- Utilized front-end technologies to build responsive, user-friendly interfaces.
- Collaborated with the team to ensure optimal website performance, functionality, and adherence to development best practices.

PROJECTS

Futuride - Visit Website
Tech Stack: MERN stack (React.js, Node.js, Express.js, MongoDB)

- Futuride is a career guidance system that provides personalized career recommendations based on user interests and academic performance.
- It features a responsive interface with sections like About, Key Features, Testimonials, Videos, Quiz, and more for easy career exploration.

Krewlanx Tech - Visit Website
Tech Stack: HTML, CSS, JavaScript, Google Sheets (form backend)

- Developed a responsive website to establish Krewlanx Tech's digital presence.
- Integrated a form connected to Google Sheets for seamless user data collection.

Safa Tours and Travels - Visit Website
Tech Stack: React.js, Bootstrap, Node.js, Nodemailer

- Built a responsive travel website with booking, visa, and holiday services.
- Designed user-friendly forms and integrated Gmail-based contact using Nodemailer.
